Aspire, Believe and Achieve

Dear Parents and Carers,

We have now entered the Summer Term, we have many exciting outdoor events, such as Sports Day, all of which are detailed in the Key Dates over the page. Further to this, the Friends Of Seal are organising a number of events, so please keep an eye out for their newsletters.

As always there are some exciting trips taking place. Year R recently went on their first school trip as a year group to Washbrooks Family Farm near Brighton. They had an enjoyable day feeding the animals, looking at the new born lambs and having a tractor ride! Year 1 are making their way to The Sea life centre in Brighton this week as part of their under the sea topic.

Next week our year 6 children will be sitting their end of key stage 2 assessment tests, we invite them to join in our special Year 6 breakfast each morning. We wish them all good luck for this and know that they will be amazing as always!

As ever, many thanks for your continued support,

Matt Batchelor
Headteacher

School Crossing patrol

We now have a vacancy for a School Crossing Patrol Officer. If you are interested in this role, even if you are not available every day and would prefer to work part of the week, please contact the Welcome office for more information, or speak to Mrs Allsobrook.

Sports days

Our sports days this year will run with Phase 1 (Years R, 1, 2 and 3) sports day at 9.30am on Thursday 9th July. Phase 2 (Years 4, 5 and 6) will be 9.30am on Friday 10th July. We warmly invite parents and carers to come along and cheer their children in the races!

Reading news!

Accelerated reader in KS2 is still creating a lot of excitement and children continue to work on their quizzes! Many children are being 'caught' reading during lunchtimes and playtimes and the weekly book raffle is going well, with many children having won a new book!
